USAG's primary focus is to protect, serve, and enhance the Southeast Alaska Drift Gillnet Fishery. USAG plays a prominent role in the Pacific Salmon Treaty, the Board of Fisheries process, United Fishermen of Alaska, and within the various functions of state government including the administration and the legislature. USAG attempts to look out for your interests in all political arenas and provide representation in all areas of the commercial fishing industry and within the state of Alaska.

Additional donations are always welcome. Please feel free to visit our website at www.akgillnet.org or to check for new updates, links, and other information. Board member information is also available on our website or give us a shout by phone or email. Rev 10/24/12
